

## **GROUP TEMPLATE**

WE NEED A VIRTUAL OPTION NOW! Any compassionate leader would understand why this is important to many families for September. Education is not one size fits all and neither are our children. We are requesting a meeting with you all to open the door to have a conversation regarding this very important issue and set up every NJ child for educational success.

Sincerely,  
New Jersey Parents for Virtual Choice

## **PERSONAL TEMPLATE (Be sure to include your information)**

- Hi I'm writing as a Parent of a child in grade / or children in grades
- I strongly believe my child has a constitutional right to protect their health by staying home in September.
- I strongly believe my child deserves to have a Remote Option available to them so that they can have an equal opportunity to education that their peers will have in-person
- I urge you to immediately mandate that all schools offer a Remote Option

Thank you for your time,
